Dear Parents & Guardians of the Sunday School of the Assumption,

We hope that this letter finds you & your families safe & well. We realize that the Covid-19 Pandemic has affected many families in many different ways. This Pandemic has caused fear & anxiety & the Sunday School along with the Parish Council are working very hard to come up with a re-opening plan that will focus on keeping our beloved students & staff safe & well. Registration & Meet the Teacher will take place on Sunday, September 13th in the lower level of the Community Center & will continue for the entire month. All of the classrooms will be thoroughly cleaned & disinfected before & after classes. Our students will be social distancing in the classroom & their desks will be spread apart. Pre-K Kindergarten desks will have clear partitions. The students & staff are expected to wear their masks in the classroom & church proper at all times. Upon entering & leaving the classroom everyone will be expected to prell their hands. Sharing of materials will not be permitted.

The Sunday School will provide each child with a Textbook/Workbook, Folder & Supply Box. We ask that the children bring these items every Sunday with them since sharing of items will not be permitted. A short supply list is included for each child to be purchased by the parent. All crafts & activities will be done in the classroom so that we do not have any intermingling between the students. Parents are allowed to drop off their children to the classrooms but, are not permitted to wait around in the Hallways or Playroom area. If you are going to pick up your child before classes finish, we ask that you do not go to the classroom but instead, go to the Sunday School office and someone will bring your child to you.

After classes the children will attend church to hear Father's Sermonette & be released to the parents after Holy Communion is distributed. The teacher's will be with the children in church & will ensure that the students are socially distanced. If you would like to pick up your child before Holy Communion or if you do not want your child to receive Holy Communion please inform your child's teacher beforehand. No child will be allowed to leave on their own. A parent/relative must physically be present to receive the child. Due to the circumstances we do not want our children to be unattended & roaming the facilities. We ask for your assistance & cooperation in this matter.

Looking forward to seeing you & your children,

Best regards, Dimitra Dimeck & Jean Xikis, Sunday School Directors
